Click to see the 'Course Evaluation' information

4. From the **Course Details** page you can click on the 'Course Evaluation' radio button to see the evaluation results for the course. If the course has not been assessed then no 'Course Evaluation' link will appear.

The University considers that a response rate of at least 50% is desirable in terms of providing representative data. The response rate achieved for this course is lower than 50% so results should be treated with caution.
