To access Worktribe you must complete the mandatory LearnUpon training 'Introduction to Worktribe'. Guidance on accessing Worktribe is available on the internal [Worktribe webpages](#). Please note, following completion of the training, it can take up to 1 week for Worktribe access to be given so we advise you to complete the training module as soon as possible.

If you would like to start your project costing on Worktribe and do not yet have access, you can email research.initiatives@sussex.ac.uk with details of your project. The team will set up your project costing on Worktribe so that you can see and edit it once you do gain access.
