

User Guide

This guide provides all of the information you need to take your first steps with Research Professional. A few of the features described are only available at institutions with particular levels of subscription. For information on exactly what your institution's subscription covers, contact your institutional administrator, or email us at clientservices@researchresearch.com

Accessing the site

When you access www.researchprofessional.com, you will be able to log in, or if you are not a current user, you can create a new account. The 'Campus Access' button is located at the top of the page.

- **Log in:** If you already have an account, you can log in using your email address and password. The 'Log in' button is located at the top of the page.
- **Campus Access:** You can be able to access the site using your institution's proxy server. When you access the site using your institution's proxy server, you will be able to access the site using your institution's proxy server. You will be able to access the site using your institution's proxy server.

When you access the site using your institution's proxy server, you will be able to access the site using your institution's proxy server.

- **Register:** You can create a new account using the 'Register' button. You will be able to create a new account using the 'Register' button.

The Home Page

On the Home Page, you will find:

'My Profile', which shows your personal details.

The 'Funding' section, which shows the latest funding opportunities.

A section for the 'Research' section.

The 'Quick Links' section, which shows the latest news and updates.

Funding

To access the funding database, click 'Funding' in the main menu. The page will show the latest funding opportunities.

- 1) **Simple Search:** The first search option. You can search for funding opportunities using a simple search. The search results will be displayed in a table.

- 2) **Advanced Search:** The second search option. You can search for funding opportunities using an advanced search. The search results will be displayed in a table.

To sort your results

Under the 'Advanced' tab, you can decide how you want to sort your results. You can choose to sort by:

Viewing your results

Your search results are displayed in a table with columns for the funding opportunity name, the funding amount, the funding type, and the funding status (funded/unfunded).

The table is sorted by relevance by default. You can also sort by funding amount, funding type, or funding status. Use the back button to return to the search results page.

Saving your results

- 1) **To save a search.** Above the search results, you will see the **Save** button, which will save your search criteria.
- 2) **To bookmark a funding opportunity.** Select the funding opportunity you are interested in, and click the **Bookmark** button, which will add the opportunity to your bookmarks.

You can also save individual search results and bookmark them to your favorites.

Creating an opportunities calendar

If you are interested in a New funded opportunity, click on the 'Read Profile' button, which will take you to the opportunity profile page.

After you have read the profile, click the 'Add to Calendar' button, and select the 'Calendar'. Your calendar will be updated with the opportunity.

Funding Insight

If you are interested in a funded opportunity, click on the 'Read Profile' button, which will take you to the opportunity profile page.

- **The funding hubs:** You can see a list of the funding hubs, which are the organizations that are providing the funding. Each hub has a dedicated page, which you can click on to see more information.
- **Know how:** Guidance for leaders on how to use the funding hubs.
- **Top funders:** Page showing the top funding organizations and the amount of funding they have provided.

News

L'absence de données fiables et de données comparables rend difficile l'évaluation des progrès réalisés.

Viewing the news

The following table provides a brief overview of each type of feedback, its benefits, and its challenges. Understanding these differences is crucial for selecting the most appropriate feedback method for your specific context and goals.
